This Association is the largest, oldest and most successful Mutual Insurance  
 Association in California and the majority of its members are in and near San  
 Francisco where it is best known. It now confines its Agencies to the Pacific  
 Coast. The wisdom of this act is shown by the strenuous efforts made by the  
 Eastern companies for California business, recognizing as they do, the necessity  
 of equalizing the extradeath rate elsewhere caused by climatic conditions. "An  
 insurance company that reaches too far is liable to disasters common to the  
 merchant who spreads his business over all Creation."
